Dear Sponsor/Event Organizer:

You are responsible for ensuring compliance of all approved food service operators at the event. You may need to provide support services to ensure proper operation. This can include: arrangement for on-site availability of water, ice, refrigeration units, overhead protection, waste disposal, oil recycling or other necessary services to ensure a successful event. Food service operators that provide food or beverages must submit an application and follow all applicable regulations.

The Sponsor must do the following:

- Complete & submit the attached Sponsor Application with a list of **ALL** food operations and a plot plan showing the location of each food service operator
- Submit a $78.00 fee to the Health Department. A bank check or money order made payable to "Philadelphia Health Dept. - E.H.S."
- **The following are NOT accepted:** Cash, business or personal checks
- Each food operator that wants to participate must complete and submit the "Temp Special Event Food Vendor Application", & pay the appropriate fees. Sponsors must approve and sign all applications. For events longer than 14 days, please refer to the “Permanent Food Operation Application.”
- Applications should be submitted **30 days prior to the event** for approval. Applications received less than 15 days prior will be charged a **$65 Late Fee and may not be approved.**
- Vendors without prior approval will **NOT** be approved **during** the event
- The Health Department will conduct inspections of all food service operators on the day of the event. **The sponsor will be billed for these inspectional costs by the Managing Director’s Office (MDO).**
- Licensed food establishments must be in compliance with the Regulations and been inspected at least 14 months before an event. If not, they will require inspection prior to the event and may **NOT** be approved.

Pre-approved food vendors are mobile or permanent special event food vendors that have obtained a Temporary Food License and are in compliance. License approval is specific to the unit and the menu at the time of evaluation. The Health Department must be notified of any menu changes at least 5 business days prior to the event. A list of all mobile and permanent special event vendors should be included with the sponsor application. These vendors **must** have their “Operation Eligibility Certificate” and license available for review at the event. If you need additional information or assistance, please contact us: The Office of Food Protection (215) 685-7495. Email us at DPH.EHS.SpecialEvent@phila.gov
SPECIAL EVENT FOOD HANDLING GUIDELINES

1. A PERSON-IN-CHARGE(PIC) MUST DEMONSTRATE KNOWLEDGE:
   - A PIC must be present and have knowledge of the Regulations
   - All persons with symptoms/diagnosis of food borne illness must report to the PIC
   - A Food Safety Certified Person is required ONLY at operations that exceed 7 days

2. ALL FOOD MUST BE FROM AN APPROVED, COMMERCIAL LICENSED SOURCE:
   - Compliance status will be confirmed for all sources, meaning no risk factors observed at last inspection

3. WATER & ICE MUST BE APPROVED & PROTECTED FROM CONTAMINATION:
   - Connection to fire hydrants for food prep and hand washing purposes are prohibited
   - Store water in clean, covered containers with dispensing spouts. Containers shall not leak or drip.
   - Purchase ice from an approved source. Keep consumable ice in original packaging with the label.
   - Store ice in clean, nonporous, approved containers. Provide food grade liners for Styrofoam coolers.
   - Dispense ice with a scoop having a handle. Scoops may be stored in the ice with the handle up or outside the ice on a clean surface.
   - Ice used for food storage must not be used as drink ice or consumable ice

4. FOOD HANDLERS MUST HAVE GOOD HYGIENIC PRACTICES:
   - Food handlers may NOT eat, drink, or use tobacco while handling food
   - Individuals with persistent sneezing, coughing or runny nose may not work with exposed food
   - Suitable hair coverings should be worn during food handling
   - No bare hand contact on ready to eat foods. Gloves or utensils must be used.

5. ALL FOOD MUST BE PROTECTED FROM CONTAMINATION:
   - Unwrapped, displayed food requires approved covers or sneeze guards
   - Self-service condiments must be dispensed from a closed containment system or in prepackaged single serve portions
   - The reuse of original food packaging for food storage is not permitted
   - Store food, food containers & service items 6 inches above the ground
   - All equipment must be clean when it arrives at the event
   - Provide extra utensils to be replaced after four hours of operation
   - Longer than one day events may require a pre-approved cleaning site
   - Cleaned and prepare all fruits and vegetables at an approved facility prior to event

6. FOOD HANDLERS MUST WASH THEIR HANDS:
   - All facilities handling open food must provide warm (min 100°F) running water
   - Food handlers must clean their hands prior to food handling activities and donning gloves
   - Wipes may NOT be used in place of hand washing unless all food is pre-packaged
   - An approved hand washing station includes: a dispenser with stay-on spigot, warm water (100°F), soap, single use paper towels, a waste water container, hand washing sign and a solid waste receptacle
7. FOODS MUST BE COOKED TO THE PROPER TEMPERATURE:
   • Raw meat & seafood shall be cooked to heat all parts to the proper temperature
   • An approved thermometer must be used to monitor proper cooking temperatures

8. RAW AND/OR UNDERCOOKED SPECIALTY DISHES MUST BE PRE-APPROVED BY THE HEALTH DEPARTMENT. THESE ASSESSMENTS ARE CONDUCTED ON AN INDIVIDUAL BASIS.

9. FOODS MUST BE PROPERLY COOLED:
   • Hot food prep and cooling must be identified on the menu and pre-approved. Hot foods prepared in advance must be properly cooled in shallow pans. Transport food at the proper temperature and reheat rapidly onsite for hot holding or service
   Foods made with ingredients at room temperature, such as cold sandwiches or salsas, must be properly cooled and stored at 41º F or below

10. FOODS MUST BE PROPERLY REHEATED TO 165º F:
   • Food that is cooked, cooled, and reheated shall be reheated so that all parts of the food reach a temperature of at least 165º F for 15 seconds
   • All cooking units shall be capable of cooking foods to their proper temp and hot holding units must be capable of holding foods at 135º F or above
   • Chafing dishes with Sternos may NOT be used for reheating

11. FOODS MUST BE KEPT OUT OF The DANGER ZONE (41º F TO 135º F):
   • All foods requiring temperature control must be transported at below 41º F or above 135º F. Such foods must be delivered in insulated containers, mechanical refrigeration or hot holding equipment designed to maintain food temperatures.
   • Out of temperature foods are subject to immediate disposal and may prevent participation in the event
   • Food or drinks, whose packaging is impermeable to water (hermetically sealed cans or bottles), may be stored in ice. Ice storage containers must have a drain.
   • Store cut melons, tomatoes, & leafy greens at 41º F or below. These items CANNOT be cut at an event or temporary facility.

12. AN ENCLOSURE IS REQUIRED:
   • Overhead protection is required in storage, prep, cooking, grilling and serving areas
   • Enclosure materials must meet Fire Code Requirements
   • Floor protection is required to prevent contamination where soil is present
   • Operations that include oil must have an approved floor surface to prevent soiling

13. ALL EQUIPMENT MUST BE CLEAN, SAFE & IN GOOD REPAIR:
   • Visibly soiled containers and equipment may NOT be approved for use at the event
   • The use of industrial drums for grilling is not permitted
• All cooking, heating, and hot-holding equipment must not be accessible to the public

14. **WASTE PRODUCTS MUST BE DISPOSED IN AN APPROVED MANNER:**
• All cooking oil waste should be removed and recycled in an approved manner
• Each facility must collect all waste water (hand washing) and dispose of it in a sanitary outlet (not on the ground or storm drain)
# Special Event Sponsor Application (SESA)

## A. Event Information

<table>
